

# Saturday Night Video Schedule

## Confurence One, 1990

The features and episodes below are listed in the order they will be shown. The show begins promptly at **7:30 pm** and will run for approximately **8 hours**. Rather than list a specific time for each item, or trying to mix-and-match items to line up on a precise hour, the running time of each item is given in minutes. A little addition should allow you to gauge when a specific item is coming up.

- |                                             |         |
